Night for Sight

Dear Delta Gamma Sisters,

My name is Amy Elmer and I am the Director of Fundraising for the DG Chapter at LSU. I am currently planning our annual fundraising event, Night for Sight, and I need your help. Night for Sight will be held Friday, October 1. It is our annual silent auction, which many alumni, parents and friends attend.

I am looking for donations to make the event a success. The goal for Night for Sight is to have a wide variety of items for our auction, such as vacation getaways, restaurant gift cards, spa gift cards, gift baskets, sporting equipment, food items, books, artwork, and home décor. We are also accepting monetary donations.

With over 200 guests expected, the silent auction is an excellent advertising opportunity. Your donation will not only benefit Service for Sight, but each business will also receive recognition at the event. Donations are tax deductible, and our tax ID number will be included in the thank you letters.

We would greatly appreciate your support, and any donations you have to offer us to help raise money for Service for Sight. If you have any questions about the event, have something to donate, or know someone who does, please contact me by phone or email. Thank you so much for your time and help.

In the bonds,

Amy Elmer
